Good Afternoon,

Our Field Supervisor, Elmer Pacheco, just notified me that the store front of 834 has been repainted using a bucket he found in inventory.

Have a great weekend,

Subject: Blue paint @ 834 S. Los Angeles St

Hi Jasmine,

The tenant at 834 S. Los Angeles St claimed that our crews damaged the blue paint at the lower left corner of his store front (please see attached picture) and would like us to repair the damage. We asked the tenant who used to paint their store front so that we can get the same type of paint to match the existing. However, he had no idea. I was wondering if the B.I.D. used to manage the painting work for stores front along Los Angeles Street. If it does, could we get a bucket of blue paint that match the existing so that we can fix the damage?

Thank you,

Lawrence Lin
